

CARSHINE

Multi-surface cleaner

USES

CARSHINE is a water and silicone-based multi-surface cleaner. Anti-static spray.

Deep cleaning of all kinds of surfaces.

PROPERTIES & ADVANTAGES

- ▶ Specifically designed for cars (car bodies, dashboards, plastic, glass, headlights, etc.). Also suitable for domestic use (bathrooms, PVC windows, glass, outdoor furniture, etc.).
- ▶ Anti-static and dust repellent.
- ▶ Gloss finish.
- ▶ White creamy formula that adheres to any surface.

INSTRUCTIONS FOR USE

- ▶ Shake the aerosol well before use.
- ▶ Spray directly on the surface to be cleaned.
- ▶ Let the product act for a few minutes and then wipe with a clean, soft cloth.

PRECAUTIONS FOR USE

- ▶ Do not use inside the car when it is very hot. Ventilate before use.
- ▶ Before use, carefully read the safety label on the packaging and/or check the Health and Safety Data Sheet available at yacco.com.
