

MECAPROP

Universal degreaser

USES

MECAPROP is a universal cleaner suitable for a wide range of uses: cars, motorcycles, boats, heavy-duty vehicles and lorries, agricultural equipment, etc.

The aerosol is very easy to use and is able to clean main mechanical parts and various engine parts with maximum accuracy and precision.

PROPERTIES & ADVANTAGES

- ▶ Instantly dissolves heavy dirt, grime, oil, and grease deposits.
- ▶ Removes tenacious deposits and used oil in the oil pan or on the valves.
- ▶ Degreases flange sealing surfaces.
- ▶ Cleans plastic parts without tarnishing them.
- ▶ Non-aggressive to paint.
- ▶ Allows fluid leaks to be easily detected.
- ▶ Leaves no residue. Does not need to be wiped off.

INSTRUCTIONS FOR USE

Shake well before use, spray on the area to be cleaned and leave for 20 seconds. Let the product penetrate and be absorbed by the dirty parts. Then remove dirt using rags or a brush. Repeat if necessary.

PRECAUTIONS FOR USE

Before use, carefully read the safety label on the packaging and/or check the Health and Safety Data Sheet available at yacco.com.
